

Church in London Announcements

December 23, 2019

Southwest Truth Pursuit

The next seminar for the truth pursuit is **January 18**. We still need some saints to help with the care of the children.

GTCA

The GTCA young people will arrive in London on January 24 and leave on the morning of February 1. Please pray for this time, especially for venues in which we can preach the gospel and distribute Bibles. We expect quite a few saints from out of town to also join in this time. The teams will comprise FTTA trainees and area saints who wish to participate in this outreach. This GTCA event will afford area saints an opportunity to serve in a blended way with the FTTA trainees. Saints may either serve directly in the team outreach or in a support role, such as hospitality, food preparation, transportation, etc. In either case, we are hopeful many saints will rise up to serve. **If you wish to join, we ask that you register and indicate your desire to serve and in what capacity, using the following [link](#).** Please be aware that registration ends on Lord's Day, Jan. 12, 2020.
