Conference in London

Brother Ricky Acosta will be sharing with us during the weekend of October 9 - 12. The exact schedule and links to the meetings will be announced later.

Meetings at the Hall

Now that Ontario is permitting religious gatherings some have asked about coming together in the hall to meet once more. Our feeling is to wait to see how the situation develops. One reason is that the easing of restrictions is only partial. The things to avoid are having more than 30% of the building capacity used, any touching or being close to each other, any serving of food or drink, and singing or much speaking both of which can spread tiny droplets into the air. The other reason for waiting (and for the restrictions) is that the virus is highly contagious. If we meet together as we were doing and one person is spreading the virus, many would get it and some may die.

However, while the weather is suitable we can safely use the meeting hall grounds with the same precautions that we gave for the use of the grounds at Metcalfe.

Offering or Payments

We should not neglect our offerings; this is an important aspect of our service to the Lord. For those who do online banking, the easiest way to take care of offerings or payments is to send eTransfers to donations@churchinlondon.org or metcalfe@churchinlondon.org. Sending a cheque by mail is also fine, as is dropping an envelope containing a cheque or cash into the mail slot at the right side of the front door of the meeting hall.
