The Lord in His heavenly ministry is very active. On the one hand He is seated, but on the other hand He is standing. He is very exercised. For example, never say, "Nobody prays for me." Have you ever asked the brothers for prayer? "Brothers, I have a situation with my children. Could you pray for me?" The brothers obviously would say "Yes." Some days might go by and you approach the brothers again and asked whether they were praying and they may respond, "Brother, I forgot." From this we could have the concept that nobody prays for us. You need to read Hebrews 5:10 and Hebrews 7:24-26, where it says that He lives to intercede for us! Do you know why you and I are still here? Because He is interceding for us! We need to thank the Lord daily, "Lord, thank You for Your interceding. Thank You for Your prayer for me."
