Notes:

1. The viewing of the 12 training messages will be at home independently.
2. Some of the messages will likely go beyond the 1.5 hours allotted. We do not know which ones.
3. Study times will be conducted in small groups reviewing and digesting the messages by Zoom, Phone, Google Hangouts, or Skype.
4. Tests will be done via Zoom all together. Participating in a test involves sharing a point that you enjoyed, not having to be ready to answer any question related to the message.

The church in London will receive for and distribute to each registered saint, an individual login credential so that saints may access the messages and there will be a means to track attendance.
