

Almost everyone wants peace and some people and organizations work very hard to try to establish peace, but the world is filled with chaos and conflict between nations, races, tribes, religions, etc. At a personal level our homes ought to be a haven from the outside world but in many there is no peace between spouses or between parents and children. Even within themselves many people are filled with anger and bitterness, or perhaps simply feelings of dissatisfaction and disappointment.

Where is the God of peace? How can you find the peace that you desire? Join us and let us introduce you to the God of peace. Real peace is found only in Him.
